

Appl. No. : 10/053,860
Filed : October 25, 2001

AMENDMENTS TO THE SPECIFICATION

Please amend the first paragraph on page 1 as follows:

Claim of Priority

This U.S. patent application claims priority to U.S. Provisional Patent Application Number 60/278,458, entitled "Collision Avoidance In Wireless Communication Devices" filed March 22, 2001 which is hereby incorporated by reference. Additionally, this application incorporates by reference the following copending applications: U.S. Patent Application No. 10/003,703, filed October 23, 2001, having attorney docket number TRANDIM.006A and entitled "Coordination Architecture For Wireless Communication Devices Using Multiple Protocols"[[,]]; U.S. Patent Application No. 10/066,284 filed February 1, 2002, having attorney docket number TRANDIM.008A and entitled "Centralized Coordination Point for Wireless Communication Devices Using Multiple Protocols" "~~Coordination Architecture For Wireless Communication Devices Using Multiple Protocols~~"[[,]]; U.S. Patent Application No. 10/106,515, filed March 22, 2002, (now U.S. Patent No. 6,954,616) having attorney docket number TRANDIM.009A and entitled "Top-Level Controller For Wireless Communication Devices And Protocols"[[,]]; U.S. Patent Application No. 10/211,976, filed July 31, 2002, having attorney docket number TRANDIM.013A and entitled "Recognition Scheme For Moderating Wireless Protocols"[[,]]; and U.S. Patent Application No. 10/211,954, filed July 31, 2002, having [[and]] attorney docket number TRANDIM.014A and entitled "Remotely-Cooperative Scheduling Solution For Moderating Wireless Protocols".
